

You can help your child feel seen during times of uncertainty and change by:

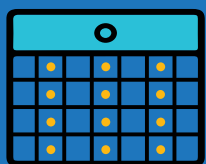

Encouraging them to express their feelings in an age appropriate way

(could be drawing for younger kids, writing for older kids)

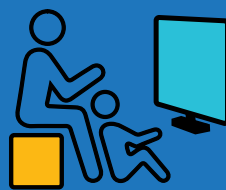

Validating their feelings

(fear, sadness, disappointment)

Keeping a routine

Starting new traditions

(watch a TV series together, take nightly walks, hold a regular game night, etc.)

Getting them a little extra support when they need it

Finding safe ways to connect via social media
